

Math / Science / Engineering Application

Dear applicant,

Thank you for considering this program partnership between **MC² Technology, Inc** and _____ (name of organization/ agency) which begins this fall. It is a unique program which will focus on many aspects of math, science, engineering, the environment, and financial literacy from the perspective of professional business planning and entrepreneurship.

It is an “after-school” and Saturday program, involving four days a week, and requiring consistent attendance on your part. Special courses coupled with “core subject” tutoring are the key focal points. The number one goal is improving personal GPA's and ensuring graduation from high school. Special awards and scholarship assistance are available for those who do graduate and wish to pursue higher education.

In order to apply, you must be 15-19 years old and **currently enrolled** in a high school (public, private, or parochial) in the state of Connecticut. Download this application and submit it to the address on the last page.

MC²Technology, Inc. APPLICATION FOR ENROLLMENT

Personal Information

First Name: _____ Middle Initial: _____ Last Name: _____
